Welcome to Imago!

We're so glad you've attended an Imago® *Getting the Love You Want*® workshop. Imago Relationships International, Inc., (IRI) is dedicated to growing and enriching your connection with your partner. As you know, strengthening relationships is a process. Troubled relationships are not "cured", but instead, require continuous nurturing, time, energy and connection to survive and thrive. We want to help you continue on your exciting path towards a joyful and fulfilling relationship by inviting you to become a member of the IRI community. By joining our network, you will have the opportunity to find inspiration and support from other members, discover resources that will assist you on your journey, broaden your understanding of Imago, and build on the significant changes made during your workshop.

Few things in life provide more lasting joy than relationships. By becoming a member of IRI, you've taking meaningful action to nurture that joy. In a society of endless stress and responsibility, it's so easy for relationships to steer off-course. Your membership with IRI will help ensure that yours doesn't.

For only \$75 a year, an IRI membership will give you:

- A customer-friendly website page for Couple Members to navigate through IRI
- IRI e-newsletters featuring relevant IRI news and updates, events, ideas and research
- Online videos of communication tools presented at the *Getting the Love You Want* workshop
- An online library of relationship materials, including articles, videos, audio recordings and more
- Teleseminars on varied topics with Imago therapists and facilitators
- Online access to tapes of previous teleseminars
- Invitation to the annual Imago conference

If you have any questions or comments regarding your Imago Relationships International membership, please don't hesitate to reach out to www.imagorelationships.org. Our mission is to *Change the world one relationship at a time*. As an IRI member, you have become a worldwide ambassador for relational peace and love.

Warm Regards,

Maryrita Wieners
Chair
Imago Relationships International
